

NetNumber Executive to Discuss Impact of VoLTE on Signaling at LTE Voice Summit 2014

LOWELL, Mass. — Sept. 30, 2014

WHO:

Matt Rosenberg, vice president, NetNumber Global Sales, Solution Design and Product Management, will deliver a presentation entitled “*Impact of Voice over LTE on Signaling*” at this year's LTE Voice Summit.

WHEN:

Mr. Rosenberg will speak on Tuesday, October 7, 2014 at 12:10 pm Local Time.

WHERE:

LTE Voice Summit 2014
Royal Garden Hotel, London, UK

WHAT:

Carriers are facing a myriad of challenges in their core networks due to the Voice over LTE (VoLTE) signaling storm. Mr. Rosenberg will discuss how signaling control can help carriers eliminate the signaling surge and therefore launch new services faster. He also will review the state of VoLTE deployments that use a centralized, virtualized infrastructure.
