

NetNumber CEO Brad Boston Joins Vectrus Board

LOWELL, Mass. — Oct. 21, 2014 — NetNumber announced today chief executive officer and president Brad Boston has been appointed to the Board of Directors for Vectrus, Inc. Vectrus (NYSE: VEC) was announced as a spin out from Exelis late last month to provide infrastructure asset management, information technology and network communication services, and logistics and supply chain management services to a wide range of customers.

Boston brings more than 30 years of IT industry experience across a number of industries to this role. He has held several senior executive positions at Cisco, American Express and United Airlines/Covia. Boston is recognized for his business acumen and technological innovation. He has successfully managed organizations known for harnessing technology to deliver enhanced services, productivity gains and competitive advantage.

“We are pleased to welcome Brad to the Vectrus Board of Directors,” said Ken Hunzeker, chief executive officer and president of Vectrus. “Brad brings a unique combination of technology experience and business expertise across multiple industries that will be invaluable as we establish the future of Vectrus.”
