

KEVIN PETERS

President and CEO

Kevin Peters joined NetNumber, Inc. as President and Chief Executive Officer on February 1, 2018. He had been a member of the company's board of directors since June 2016.

Peters brings to NetNumber a wealth of leadership experience gained over the course of a 28-year career with AT&T, as well as broad industry and executive advisory experience across the global technology and telecom industries.

Peters retired from AT&T in 2014 as the executive vice president of global business customer service, in which he led the company's multinational customer service operation. He held numerous leadership positions at the company, including serving as AT&T's Chief Marketing Officer for Business, and as Executive Vice President for Global Network Operations, where he was responsible for the company's global IP and mobility networks. Peters also held several key leadership roles in AT&T Labs including senior executive positions in IT, Technology Development, and Network Engineering and Operations.

Peters serves as an advisor or board member to Calix, Cartesian, AwareX, Unitek, J&L Communications Group, and several other firms. He also serves on the advisory board of the School of Business at Stevens Institute of Technology and the Board of Trustees for the Yogi Berra Museum and Learning Center.

Peters holds an MBA from Columbia University, an MS from Stevens Institute of Technology, and a BS from Fairfield University. He also attended the Advanced Management Program at Harvard University.
