**NetNumber Executive to Present View on Radically Simplifying the Network Core
at Metaswitch Forum 2014**

LOWELL, Mass. — May 7, 2014

WHO:

Matthew Rosenberg, NetNumber Vice President of Global Sales, Solutions and Product Management, is scheduled to deliver a presentation entitled “*Radically Simplifying the Core*” at this year’s Metaswitch Forum.

WHEN:

Thursday, May 14, 2014, 3:15-3:45 pm Central

WHERE:

Metaswitch Forum 2014
Hyatt Regency New Orleans
New Orleans, LA USA

WHAT:

In his presentation, entitled “*Radically Simplifying the Core,*” Mr. Rosenberg will examine the benefits of deploying a common NFV infrastructure for all signaling control, policy enforcement and subscriber database services in the network. He will share key learnings from deployments of NetNumber’s TITAN platform, and provide an overview of a joint Metaswitch and NetNumber interconnect solution.

About NetNumber

NetNumber, Inc. provides Centralized Signaling, Routing and Database Services for faster service delivery and simpler network deployment and operation to wireless and wireline telecommunications operators around the globe.
